

MAPS AND PLATS

this is shown
on tax assessment map

There is somewhere a plat showing all of Chesapeake Avenue. We have no copy.

We need this to show all rights of way and the entrance.

There is a lot owned by the Rock Hall Civic Association on Chesapeake Avenue.

(East of May Jacob, west of Ed Jones.)

*Robert
Harmon* (Present entrance is now from Main Street. Plat shows thirty foot strip. We do not have use of the full thirty feet.

We have kept established a right of way or entrance (not shown in the blue pl-t) between Robert Jacobs (was Harmon) and Lamb (was Shallcross) this way in is almost opposite Liberty Street. We have used it constantly, and therefore it should still be viable. *this is shown on tax assessment map*

Telephone pole is at a very dangerous position at the present entrance on Main Street and must be moved.

Mr. Nuttle -

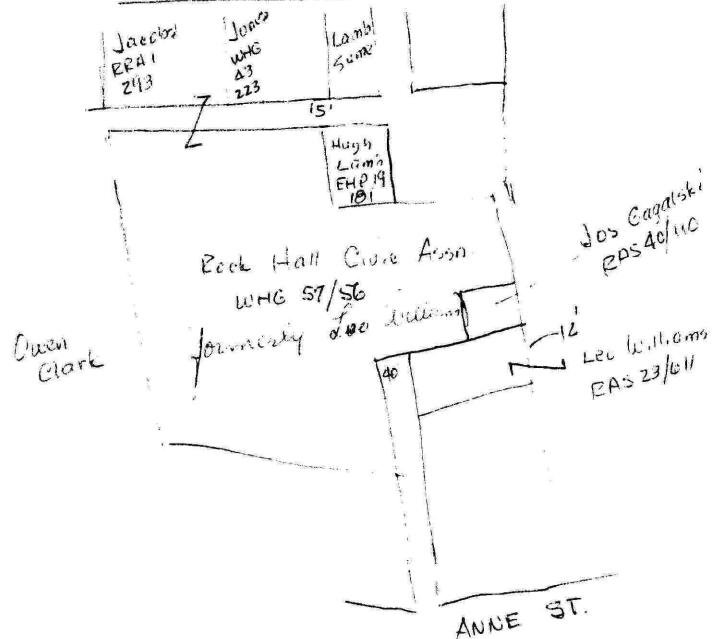

Here is copy of notes on drawing up agreement between R. H. Civic Association and town of Rock Hall.

It is for the Civic Ass'n. (Art Eingle, Pres.) that you will be doing the survey, I assume, since the town has not directed it, but we feel it is essential so that the grounds can be developed.
